For the parents it's an enrichment program-for the children it's a game

## Enhanced Cleaning and Sanitization with Ultramist Fogging Systems

As an enhanced cleaning practice when we re-open, we will be proceeding with UltraMist Fogging Systems to disinfect our playground, washrooms, lobby and other common areas.

**This product is:**

- Health Canada approved
- Agricultural Canada approved
- FDA approved
- EPA approved
- KILLS 99.999% of all harmful viruses, bacteria, molds and micro-organisms
- Non-toxic to humans, animals, and the environment

By releasing a fine mist, it settles into a thin anti-microbial shield of protection over a large space quickly, ensuring that there is little to no downtime required for all the surfaces to become disinfected.

**For more information on their product, please check out their website:**
